Sincerely yours,

25X1

Contracts Manager

RJT/db  
Enclosure

8 April 1969

Attn: Hank D.

Gentlemen:

We are pleased to forward three (3) copies of our "Proposal to Construct Shaded Apertures for the Image Quantizer," TO-B 40-69, dated 7 April 1969.

The work proposed herein can be completed within four months from a contract award date. Our Time and Material cost proposal enclosed herewith is firm for a period of ninety days.

Unless requested otherwise by the procuring agency, our cost estimate is predicated on the following reporting requirements:

1. Informal monthly progress letters submitted within ten days from the end of the reporting period.
2. Final Technical Report will be submitted upon completion of the task.

Please contact [redacted] for business matters and [redacted] for technical discussions.

225X1

We will be pleased to furnish any additional information you may require.

Sincerely yours,

25X1
